SUMMARY

My interest in coding was sparked by design and technology challenges I faced in my nine years working in the photography industry. A growing curiosity about web development quickly evolved into a driven passion, a love of building and improving projects, and continual learning. I am resourceful and motivated developer with a superb work ethic, experienced in designing and coding functional and modern websites, and am excited to excel in a challenging front-end developer position.

TECHNICAL SKILLS

WEB DEVELOPMENT: HTML5, CSS3, JavaScript, jQuery, Flexbox, Media Queries, Sass, Visual Studio Code, Responsive Design, Bootstrap, Git, Command Line, Adobe Illustrator & Photoshop.
